

# Neighborhood Meeting

**What:**

Neighborhood Meeting to continue to share your thoughts about Mark Stebbins Community Center

**Where:**

Parkside Middle School

**When:**

August 16, 2022 5:00-7:00pm

Greetings West Side friends,

On behalf of the many volunteers working on the proposed community center project, I'd like to invite you for a **follow-up neighborhood conversation**. Many of you turned out recently for our July 11 Neighborhood Meeting, but not everyone had a chance to share their ideas and feedback.

On **August 16th, from 5:00-7:00 pm**, please consider coming to Parkside Middle School for an opportunity to share your own thoughts about the proposal.

There were several of you who wanted to speak or offer input last time, so we have two ways in which you can participate on August 16th:

- We will include notecards for those of you wishing to write down a question or a thought and we will read through as many as time will allow.
- To maximize the number of voices in the conversation, we'd ask anyone wishing to speak or ask a question to limit your input to three minutes.

We will do our best to answer questions as we work to create a more detailed proposal to share with you in the coming months. Thank you!

To view a FAQ from our July 11 Neighborhood Meeting, go to [www.markstebbinscommunitycenter.org](http://www.markstebbinscommunitycenter.org) or scan the QR code.

**Thank you!**

The Mark Stebbins Community Center is a nonprofit organization. Our goal is to help children and families on the West Side thrive by having community services in a central, walkable, easy to get to location.
