

CONNOR HEALY

Funeral Home and Cremation Center

Locally Owned & Family Operated

July 18, 2022

To whom it may concern,

As a neighbor and former parent of the club, I am writing to you in support of the proposal to expand the Boys and Girls Club of Manchester to the West side.

Connor-Healy Funeral Home and Cremation Center has a long, supportive relationship with the club for more than seven decades. The club is a wonderful asset to our community and neighborhood. They are very responsive to any issues that may arise. The children and staff of the Boys and Girls Club of Manchester are very respectful of our property and neighborhood. The club maintains and enforces high expectations of their staff, students, and parents at all times.

The Boys and Girls Club of Manchester has a strong professional presence in the neighborhood as well. They continue to manage beautiful grounds on their property. The club provides a sense of safety for the children, families, and community.

I am sure the addition of a community center on the West side would have a profound impact on the neighborhood as it has for us here in the city's center.

Sincerely,

Daniel Healy
